The Indiana Church Resource Group (ICRG) is a not-for-profit group of Christian businessmen whose major purpose of their business is serving churches and ministries in the state of Indiana. Each of the men who make up the ICRG share a common commitment to helping serve and advance Christ's church through their own area of expertise. Each individual is gifted and plugged into their respective industry, and carries a proven track record to serve the needs of Indiana churches.

**Kris Woodward** is the owner and president of Business Interiors Group (BIG). BIG is a contract furniture dealer with over 55 years in the business furniture industry. Their strength is in providing exceptional value office furniture. Their intent is on making every customer not only satisfied but delighted. Each interaction with them will be a simple, hassle-free process designed to move you as quickly as possible to the solution that will make you the happiest.

**Tony Grahn**, CPCU, CIC is the Vice President, and co-owner, of Capitol Insurance Center, "Indiana's Premier Church Insurance Agency." Capitol has been in business since 1981. Tony has served 18 of the agency's 26 years in developing their church property and casualty program. As a Chartered Property and Casualty Underwriter (CPCU) and a Certified Insurance Counselor (CIC), Tony and the agency currently insure over 900 churches in Indiana. Tony is also the Program Administrator for the North Indiana Conference of the United Methodist Church. His church insurance expertise has placed him on a national platform working with mainline denominations, also aiding regional and national insurance carriers with the formation or development of their own church programs. Whether it's coverage protection, or cost, Tony and his team can more than adequately aid you and your church - or denomination - on your insurance needs.

**Kurt Williams** heads up T&W's Church Solutions Group. T&W's comprehensive three-stage approach to Design and Construction of Worship Facilities is unmatched in the industry. The T&W Team is committed to guide you and your congregation on this wonderful, faith-building adventure from start to finish. Our goal is not just to meet your Ministry expectations, but to exceed them. Our membership in the *National Association of Church Design Builders* brings "best practice", cutting edge ministry concepts from around the nation to the central Indiana churches that we serve. In combination with a nationally recognized process, developed by T&W, to Design and Construct your facility this adventure can truly become a period of ministry focus, not ministry distraction.

**Bob Hutt** is an employee benefit broker and consultant who helps small-to-medium sized businesses look great with their employees while significantly driving down the cost of group health insurance, employee benefits and related administrative overhead. Through Access Companies, Bob offers a wide range of employee benefit and HR programs and services – from full service payroll processing to 401 (k) administration to the gamut of employer sponsored fully insured and partially self-funded group health insurance plans and employee paid supplemental benefit plans. Bob specializes in helping small-to-medium sized businesses more effectively communicate the value and functionality of increasingly complex consumer-driven health plans, and helping employees identify and attain key strategic financial goals and objectives.
